"Illegal"

Judge Schottky Rules City Council Exceeded Authority In Ousting Chief

Judge Andrew R. Schottky ruled, February 2, in the superior court at Redwood City, that the ousting of James G. Reardon as police chief by the Daly City council was illegal. The judge said that the council exceeded its authority by voting Reardon out of office, last June, without setting up a board of review in compliance with Civil Service requirements. The council had contended that it had a right to act as its own board of review, although this opinion was challenged at the time by Mayor A. J. Gaggero and Councilman Eugene V. Lynch, who both voted against the ouster.

In August, Reardon secured a writ of mandate from the Superior court for reinstatement to civil service status and position, arrears in salary and for general relief. September 1, Judge Schottky ruled that Reardon's complaint for reinstatement was sufficient to go to trial.

Both the city's attorneys and Reardon's are now filing findings of fact on the judge's opinion and a rendition of judgment is expected shortly from the court.

Judge Schottky concluded his opinion with the declaration that "the judgment of the court will be that the petitioner was illegally discharged from the office of chief of police of Daly City."

Should the judgment be sustained, Reardon would be entitled to reinstatement and back pay according to Joseph J. Bullock of Redwood City, one of Reardon's attorneys. Bullock said he would prepare a judgment immediately and have it served on the Daly City council.

Reardon was ousted from office June 26, 1944, on charges of "insubordination and failure to observe the rules and regulations of the police department."

Judge Schottky pointed out in his opinion that it was contemplated by the civil service ordinance adopted by Daly City in 1936 that a board of review should be appointed by the council "because no system could properly be called a civil service system with the right of an employe to a review, if the council could discharge a civil service employe under its jurisdiction and then itself act as a board of review in an appeal from its own act in discharging the employe."

"The court can reach no other conclusion than one that there was no course of review to which petitioner could have appealed and that until such a board of review was in existence the council had no right to remove the petitioner, who was a civil service employe, from office.

"To hold that the council could act as a board of review in the matter of any appeal by an employe of the city removed by it would in the court's opinion make a mockery out of civil service in Daly City and would defeat the very purpose of the civil service law."

Reardon was represented by Bullock and Raymond J. O'Connor. City Attorney F. E. Hoffmann and John W. Coleberd represented the City of Daly City.

Officer August Benassini Represents Force At Juvenile Delinquency School

The Daly City Police department is represented this week at the special school on juvenile delinquency being conducted at the University of San Francisco by the Federal Bureau of Investigation, by Officer August Benassini. He will relay information secured during the five-day lecture course to all men on the local force.

The instruction in the field of juvenile delinquency was made available to regular law enforcement officers by the FBI National Academy.

Recent incidents which necessitated the investigation of local police include several accidents, a theft, dog bite, and BB gun-shooting youngsters.

Officer Dean Wood took Pat Casey, 167 Werner avenue, who fell and injured his left thigh at Hollywood stables, to Alemany emergency and later to Community hospital in the county ambulance, January 30 at 5:35 p. m.

Officers Roland Petrocchi and George Savage took a report, January 30, that William Keller, 6242 Mission street, had been robbed of $65 in currency.

Officers Roy Beecher and Edward Beecher investigated two auto accidents within five minutes of each other Thursday evening, February 1. Property damage resulted when cars driven by Fred Gibbons, 1849 Page street, San Francisco, and Julio Sucioni, 2777 San Jose avenue, San Francisco, collided at Hillside boulevard and Mission street. The second occurred at the same spot. Drivers in this instance were Russell Woods, Sharp Park and Wymond Smith, 72 Willits street, Daly City.

Mrs. Clinton, 72 Vendome avenue, fell and injured herself while visiting at the home of Mrs. Parker ,193 Santa Barbara avenue, February 1, 11:15 p. m. Officers Benassini, E. February 3 brought an epidemic of accidents, too. At 4:15 p. m., Officer Sundermann investigated a collision at Junipero Serra and School. John Armstrong, Hollywood, driving a truck, was making a U-turn to go south and was struck by a Studebaker going west on School street and making a right turn into Junipero Serra. The passenger car was driven by Selma Hartman, 51 West Cavour street. At 4:30 p. m., Officer Hopman ordered the Plymouth coach which ran down Vista Grande towed to Daly City garage. Subsequent investigation revealed that it belonged to Lillian Marshall, 81 Whittier street, San Francisco. It knocked down two trees as it rolled unattended down the avenue and hit a fence at the foot of Vista. At 9:10 p. m., Officers Petrocchi and E. Beecher checked an accident which happened on San Pedro road. Drivers were Arthur Seppich, San Francisco, and Edward Kahn, Oakland. Fifteen minutes later, Petrocchi, E. Beecher, and Sergeant Benedetti checked an accident on Junipedo Serra boulevard. One car was driven by Morgan Emlay, San Francisco, and the other was occupied by two sailors, James E. Dougherty and James R. Cummings.

Officer Henry Sundermann jr. brought the "shooting" career of two school-age boys to a speedy termination, February 4, when Mrs. Carey, 328 Santa Barbara avenue, reported they were shooting at her chickens and pigeons. The officer took the BB gun away from the boys.

Wanted: Six Blood Donors For Feb. 17

Wanted: six patriotic Daly City adults to donate blood at the Red Cross Blood Donor Service, San Mateo, Saturday, February 17.

This was the plea, today, from Mrs. Ruth Morris, local chairman for securing Daly City donors. She announced that reservations for this next trip to the center must be made by Saturday, February 10. Call DElaware 6435.

At least six people must sign up for the trip if the Red Cross is to send a station wagon to take the group to and from Daly City. The prospective donors will leave Daly City at 8:45 a. m. from in front of McGraw's pharmacy, 6300 Mission street.

Donor dates set for March include March 3 and 8. Since the local sponsorship began, December 9, 22 people have given blood at the San Mateo headquarters.

Mrs. Morris has been asked to increase the number of people coming from Daly City. For that reason she asks the public's cooperation in this important war service. The miracle of whole blood and plasma at front-line hospitals is known to everyone, Mrs. Morris pointed out.

"Help save the lives of America's fighting men," she urged.

News From Jeff District Schools

AT CROCKER

The girls of Room 2 who belong to Girl Scout Troop No. 5 went on a hike, Saturday, through the hills of Daly City.

The pupils of Room 3 are bringing their unit on inventions to a close by learning about some of the most important inventors.

The members of Room 4 were glad to win the War Stamp Banner for the week.

The pupils of Room 6 were happy to welcome back Lilly Templin who has been ill.

AT WOODROW

Map geography has been the center of interest in Room 4, particularly the continent of North America.

Location of important rivers, mountains, deserts and cities were studied and drawn on a map of Africa by Room 9 pupils.

The students of Room 12 enjoyed an art lesson in which they drew pictures to illustrate stories which they had been reading. Then each pupil presented his drawing and told its story to the class. Many illustrated the story "The Nightingale" or the book, "Hitty."

This week, the low fourth grade is going to have a play called "Hansel and Gretel." The cast of characters will be pupils of the low fourth grade.

The story of Hansel and Gretel is in our singing book. Songs are with the story. Here are some of the names of the songs: "Susie Little Susie," "Brother Come and Dance," "Sandman," "Fourteen Angels," and "Happy and Gay."

The children of Room 15 prepared talks for the last day of the term. Topic was, "What We Found Interesting in the Study of Textiles."

AT JEFFERSON

The past week has been an unusually busy week for our teachers and a period of mixed joy and fear for pupils, as this was promotion week.

Almost every class in school had a little party during Thursday or Friday noon recess. The low eighth grade gave its usual farewell party to the high eighth grade. The party was held in the library room. The long tables were decorated with red and white paper table covers, red candles, attractive favors and napkins. The refreshments consisted of sandwiches containing an infinite variety of fillings (the girls like to 'show-off' some of their cooking school attainments), delicious homemade cakes, and soft drinks.

A short program followed the 'eats' and by 1 p. m. another Jefferson graduation party had gone down in school history.

The seventh grade had two splendid lessons in letter writing, last week. The first lesson was given to the study of various correct ways in which to write letters of inquiry, thanks and appreciation, and correct manner of addressing envelopes.

The second lesson was a practical application of the first.

All the children wrote letters to friends or relatives in the service, and as our boys are everywhere these letters are going to all parts of the globe.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

Baking tips for good eating

RICH BISCUIT DOUGH

For rolls and coffee cakes

2 cups all-purpose flour
3 tsps. baking powder
½ tsp. salt
6 tbsps. shortening
1 egg
Milk

Sift flour; measure; and sift again with baking powder and salt. Cut in shortening until it is as fine as corn meal. Break egg into measuring cup; beat with fork; and add enough milk to make ⅔ cup liquid. Add to flour mixture; stir with fork until all of flour is dampened. Turn out on lightly floured board.

This basic dough is suitable for almost every imaginable type of roll or coffee cake. For example:

CINNAMON NUT ROLLS

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; spread with 2 tablespoons softened butter and sprinkle with 2 teaspoons cinnamon and ¼ cup sugar. Roll up as jelly roll and cut in ¾ inch slices. Sprinkle a few coarsely chopped nuts in the bottom of a well-greased muffin or square pan; place rolls on top. Bake in moderately hot oven (425°F.) for about 15 minutes.

BEAR CLAWS

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; sprinkle with ½ cup firmly packed brown sugar, 1 tablespoon flour mixed with 1 teaspoon cinnamon, and ½ cup seedless raisins. Roll up as for jelly roll; cut in 2 inch pieces, flatten out. Slash one folded edge at inch intervals to within ½ inch opposite side using scissors. Place on baking pan. Bake in moderately hot oven (425°F.) for about 15 minutes.

TEA RING

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; spread with jam, jelly or fruit and nut mixture. Roll up as jelly roll; place on greased baking pan bringing ends together. Slash with scissors from outside almost to center about every 2 inches. Bake in moderately hot oven (425°F.) for about 15 minutes. Ice when cooled with powdered sugar and milk frosting.

INCREASE IN AIR FREIGHT CREATES AIR CARGO JOBS

United Air Lines calls for more men to keep vital war materiel flying

With the tempo of the war in the Pacific increasing daily, United Air Lines is flying the greatest volume of air cargo in its history.

In this vital war work, cargo handlers at the San Francisco Airport are doing a tremendous job of keeping this war materiel moving to all parts of the nation and war zones, the airline reports.

However, with the air transport job increasing as the war is stepped up, more cargo handlers are needed today at the airport.

In addition to the war cargo there is a great volume of domestic air express, mail and other cargo to be loaded and unloaded from Mainliners landing and taking off every hour at the San Francisco Airport.

Cargo handlers find working conditions at United Air Lines pleasant, and co-workers are friendly and helpful to new employees. Transportation to the San Francisco Airport is convenient—busses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

To help out in this vital war cargo work, men are urgently needed today. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

MISSION FOOD LOCKERS OFFER UNUSUAL FOOD STORAGE SERVICE

Something new has been added!

Daly City has an unusual type of plant ready to serve it. Mission Food Lockers is the name and the firm offers a "quick freeze" food preserving system to residents of this area. Located at 60 Station avenue, the lockers provide storage space for fruits and vegetables, meats, and game.

Foods may be stored at their best season and then they will be available for off-season periods when they taste especially good. Surplus from Victory gardens or farms may be quickly processed and stored without the bother of canning fuss. In addition, the plant features a complete line of frozen foods which may be purchased (point free) to keep the lockers well stocked.

Fruits, vegetables, and berries may be harvested from Victory gardens or procured fresh and at the peak of delicious ripeness and lowest cost from the producers, brought to the plant, processed by simple methods which do not detract from their flavor or freshness and packaged in vapor proof containers. They are then quick-frozen and stored in individual lockers.

"You may now have corn on the cob and fresh frozen strawberries at Christmas time," the management said.

Sea Scout Ship Acquires New Boat

Acting Skipper Mel Battye announces that the boys of Sea Scout Ship No. 144 are hard at work making their new boat seaworthy. Summer plans call for a 2-week cruise.

The local Sea Scouts are sponsored by the Daly City-Colma Lions club. They meet every Friday evening.

Valentine Party

Troop No. 5, Girl Scouts, will hold a visitors' day and a Valentine party Tuesday, February 13, at No. 5 firehouse, Oliver and Bellevue. Festivities are to start at 3:30 p. m. Entertainment and refreshments are in store for the girls and their guests.

A New Home Scrap Book Becomes a Happy Hobby

Thousands of California families are building their Homes of Tomorrow—today!

Of course, it is a dream house contained in a collection of ideas in an ever-fattening scrap book. But out of this scrap book some day the real home will be built free from regretful mistakes.

In this Home of Tomorrow mechanical servants will reduce the labors of housework to a minimum. In the laundry, for example, there will be an automatic washer, a clothes dryer, and an ironing machine. And in the kitchen, food will be stored and prepared and cooked by an assembly line of home appliances. And modern lighting will make the whole house cheerful and bright.

The important key to this home of modern 194x Living will be Adequate Wiring. That means plenty of circuits of large enough wire, with sufficient switches and plug-in outlets properly placed. Adequate Wiring, too, provides full power at all times for the most efficient, carefree and economical operation of lights and appliances.

Recall Pastor

By unanimous vote Grace Church of the Nazarene members recalled Reverend D. C. McKisson to serve another year as pastor at the local church, Vista Grande and Santa Barbara avenues. In addition, the board recommended a 3-year call, which was also passed.

McKisson came to the Nazarene church here in June, 1943. The vote of confidence on the part of the congregation indicated their enthusiasm for his program which has included the lifting of the mortgage.

McKisson and his family reside at 33 San Pedro avenue.

Good News!

Local OPA Board No. 83-12-3, 470 Grand avenue, South San Francisco, announces good news for VEGETABLE CANNERS. New aluminum pressure canners will soon be available in retail markets. The manufacture of several thousand of these canners was authorized last fall by the War Production Board. Most of them will be made in two convenient sizes, the smaller holding seven quart jars and the larger one holding fourteen quart jars. These cast aluminum canners are not only equipped with a rack to hold the jars, but they have inset pans for regular cooking which gives them year-round usefulness. If you are interested in buying such a pressure canner, notice the tag attached to the canner which plainly states the retail ceiling price.

LOST RATION BOOKS. The number of books lost, mutilated and stolen has shown an increase lately. Members of the food panel request that more care be exercised in handling of books. Persons losing books are required to have a statement notarized and ten to sixty days elapse before new books are issued. BE CAREFUL OF YOUR RATION BOOKS and be especially careful when giving children books to take to the store.

VIOLATIONS. Recent hearings before the local hearing panel resulted in three 30-day suspensions of gasoline rations on speeding charges.

● Health and strength are treasures we must draw upon to win our "Battle of Production." To guard these assets, and to fight the foes that would rob us of them, is an obligation shared by your physician and your pharmacist. Our duty is to keep you well—and keep you working. For the nation needs a full measure of your energy and effort.

But you, too, have a part to play. You can co-operate by avoiding unnecessary risks; by adopting every reasonable preventive measure, and by promptly calling upon a competent physician when illness threatens.

Remember that the preservation of Health and Strength has now become a patriotic duty. Get well—KEEP well!

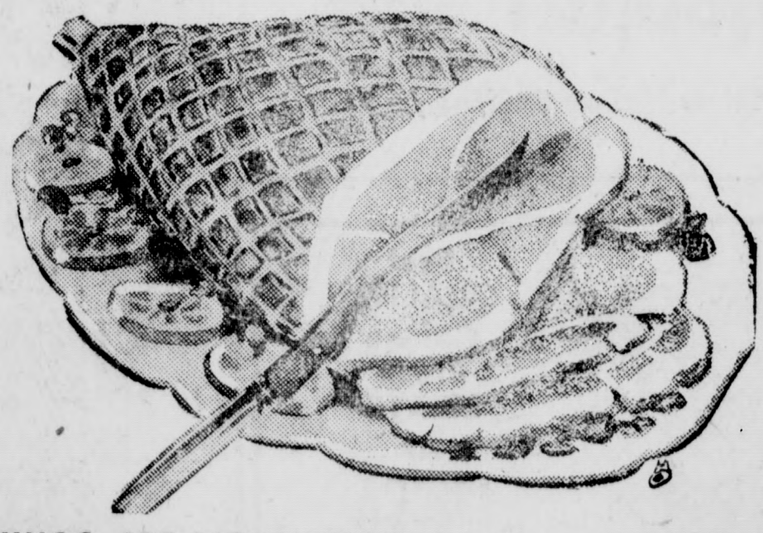
NO POINTS!

FARMERS MEAT COMPANY

Of course it was more convenient when ham was something you just went into the butcher's and bought -- no troubles at all about meat shortages and points...



BUT THINGS ARE MORE THAN A LITTLE DIFFERENT NOW. The war makes demands on all of us. We are still better off than any other people on earth.
We want you to know that we are giving you the best service possible, the biggest selection of meats we can maintain under shortages.
